Announcement

THE BLACKHAWK RANCH presents this catalogue for the purpose of outlining various features in their activities and ideals. No effort or expense has been spared in procuring foundation stock which represent the best efforts and conscientious work of generations of the World's greatest Shorthorn Breeders. The matrons in the herd were all selected with the same care as that displayed in the selection of the sires, all of them possessing the remarkable character and substance of their illustrious ancestors, which denote their superior and potential qualities for breeding purposes.

Foundation stock was acquired from such celebrated herds as Collynie, Uppermill, Doune Lodge, Cluny Castle, Congalton, Wester Lovat, Westside, Heatherwick, Polmaise, Towie Barclay, etc. The herd contains representatives of the following highly prized families: Princess Royal, Augusta, Clipper, Rosewood, Broadhooks, Roan Lady, Mary Anne of Lancaster, Rosemary, Estelle, Secret, Flora, Clara, Ury, Lady Dorothy, Nonpareil, Mina, Charlotte Corday, Kilblean Beauty, Blinkbonny, Marigold, Buttercup, Wimple, Victoria, Violet, Venus, Lavender, Lustre, Marr Beauty, Queen Bess, etc.

It has been proven beyond a doubt that to be a successful breeder of shorthorns, the selection of the sire is of great importance. He must not only be an animal of individual merit himself, but must also be bred from prepotent animals on both sides of his pedigree. The sires in the herd have been very carefully selected, having been drawn mostly from Mr. William Duthie's celebrated herd at Collynie.

COLLYNIE PRINCE LAVENDER, purchased at Mr. William Duthie's 1920 sale, is a bull of immense substance and quality, and has proven to be a sire of exceptional merit. He was sired

by Mr. William Duthie's noted sire, Masterstroke, and his dam, Sittyton Lavender 26th, is by Mr. William Duthie's celebrated sire, Knight of Collynie, one of the most famous stock bulls used at Collynie by Mr. William Duthie.

COLLYNIE CLIPPER CREST, purchased at Mr. William Duthie's 1922 sale, was sired by Marquis of Millhills, a great breeding son of the celebrated sire Cupbearer of Collynie, universally known as one of the greatest sires of the breed. Collynie Clipper 9th, dam of Collynie Clipper Crest, was sired by the famous sire, Masterstroke, one of the greatest producing sires ever used at Collynie by Mr. William Duthie.

SCOTTISH HERO, purchased at Mr. William Duthie's 1922 sale, was sired by Mr. William Duthie's celebrated sire Max of Cluny, whose phenomenal success at Collynie is universally known to all Shorthorn breeders. Scottish Hero's dam, Meadow Queen 11th, is by the noted sire, Knight of Collynie, so successfully used at Collynie by Mr. William Duthie.

POLMAISE CLARION, also in service, is a particularly thick, low set bull possessing great substance. He was bred at Polmaise by Major A. B. Murray. His sire, Kinellar Clarion, as well as being a great show bull is also a great breeder in Major A. B. Murray's famous herd at Polmaise.

As an illustration of the merits of the animals that appear in the pedigrees throughout this catalogue, we have endeavored by the foot notes to convey to the enthusiastic breeder and admirer of Shorthorn Cattle, the widespread influence that many of the animals mentioned herein have had with Modern Shorthorn History. Many of the prices quoted in this catalogue are in guineas. A guinea was a gold coin formerly current in England, value 21 shillings or about $5.00.

We wish to state that the compilation of this catalogue, especially the footnotes, were made through the untiring efforts of our manager, Edward Lovell.

Some of the grandest cows in the herd descended from this family. The best of them sprang from the foundation cow in this pedigree, Flora by Fairfax Royal, and her granddaughter, Morning Star, by Champion of England. Geraldine 7th was sired by Village Beau who has proved such an exceptionally good sire in the famous Hopley Stock Farm herd at Atlantic, Iowa. Missie's Sultan was by the great breeding bull, Glen Brook Sultan, whose show ring career was brief. His prizes do not indicate his real merit, but as a sire of prize winners he held a high rank. He was one of the greatest sons of Whitehall Sultan and when two years old he was sold at public sale in Chicago to Thos. Johnson for $2,025. At the International in 1905 he was first prize senior calf and in 1908 at the International he was second prize aged bull and headed the second prize herd. Shire Horses

Blackhawk Ranch Show Ring Records and Reason Why Shires are Popular

THE BLACKHAWK RANCH has long been famous for its Shire Horses. Those who have visited the Shows where the Blackhawk Ranch has competed with their Shires, either singly, in teams, or in groups, are familiar with their success. At the Panama-Pacific International Exposition, San Francisco, 1915, the Blackhawk Ranch was awarded gold medal for the best exhibit of Shire Horses.

SHIRE STALLIONS have proven their superiority to cross on our grade mares. Their remarkable ability in transmitting to their progeny that wonderful combination of strength, endurance, activity and docility, has placed them in the front rank of excellence among draft breeds of the world.

THEIR SOUNDNESS has been developed by the intelligent care of English Breeders who for generations have made their shows great elimination contests where all Shires entered are subjected to a most severe test and only those that are absolutely sound are allowed to compete for final honors. As a result, the winning Stallions have been largely patronized, which has been the determining factor for the Shire to develop a confirmation remarkably free from unsoundness.

GRADE SHIRE GELDINGS have for years won the Champion prizes at the great Iowa and Illinois State Fairs, and also at the International Exposition, Chicago, Ill., and the record-breaking sales of geldings on the Chicago and other markets have been principally of Shire lineage. These are facts that have made the Shire become famous by reason of genuine merit.

THE SHIRE STALLION, ANWICK ARTHUR, illustrated in this catalogue, is the winner of numerous prizes, including Grand Champion at the California State Fair, Sacramento, 1919, and Grand Champion at the California International Live Stock Show, San Francisco, 1919. As a breeder, Anwick Arthur has an unexcelled record. At the Panama-Pacific International Exposition, San Francisco, 1915, the Premier Championship for breeder determined by the largest aggregate amount awarded to animals bred by one breeder was won by the Blackhawk Ranch

with sons and daughters of Anwick Arthur. At this great International Show the produce of Anwick Arthur was awarded first prize in the get of sire class and at the California State Fairs of 1916, 1917 and 1919, Anwick Arthur's produce, competing against all breeds in the get of sire classes, were outstanding winners. They also won the get of sire class at the California International Live Stock Show, San Francisco, 1919, and the same honor was awarded them at the California National Live Stock Show, San Francisco, 1921.

DOVECOTE KING, also illustrated in this catalogue, is an excellent individual, possessed of sound and perfect confirmation. He is the winner of numerous prizes and the sire of many of the noted prize winning Shires now on the Blackhawk Ranch.

BLACKHAWK CHESSIE, sired by the Grand Champion Stallion Anwick Arthur, is indeed a wonderful mare, many judges have pronounced her one of the greatest living mares of the breed. She has established a remarkable record in the show ring. At the California State Fairs of 1916, 1917, 1919 and 1920 she was the undefeated Grand Champion Shire Mare. She was also Grand Champion at the Los Angeles Live Stock Show in 1920, and at the California International Live Stock Show, San Francisco, 1919, she was awarded Grand Championship, and she was Grand Champion at the California National Live Stock Show, 1921. She is also the winner of numerous other Championships at District and County Fairs.

HAWTON BOUNCE is the winner of many prizes including Junior Champion and Grand Reserve Champion at the Panama-Pacific International Exposition, San Francisco, 1915.

FLAWFORD DAISY III was the winner of several Championships at District and County Fairs, and at the Civic League Horse Show, San Francisco, June, 1915, held in connection with the Panama-Pacific International Exposition, she was awarded Championship honors. In competition with all other draft breeds at the Panama-Pacific International Exposition, San Francisco, October, 1915, she was awarded first prize for the best animal of all draft breeds. With the exception of the home bred mare Blackhawk Chessie, the Shires illustrated in this catalogue were personally selected in England by Mr. William A. Ward.
